Diesel Mechanic/Technician

Diesel Mechanic Job Description

Compensation: \$14-\$25 per hour (based on experience and ASE certifications)

Why Work with Paisano Diesel Repair? Paisano Diesel Repair is a family-owned business dedicated to providing top-notch heavy equipment and diesel repair services. We take pride in delivering exceptional craftsmanship and reliable service to our customers. As the leading diesel repair shop in Cameron County, we specialize in fleet maintenance, heavy equipment, and trailer repair. When you join our team, you become part of a supportive and family-oriented environment that values your growth and well-being.

What We Offer:

- Competitive pay up to \$25 per hour based on experience and ASE certifications.
- Comprehensive health benefits, including medical, dental, and vision coverage.
- Paid time off and holidays to support work-life balance.
- Opportunities for career growth and advancement within our company.

Position Summary: We are seeking a skilled and motivated Diesel Mechanic to join our team. The ideal candidate will have experience in diagnostic testing, repair of diesel engines, and servicing heavy industrial equipment, trailers, backhoes, generators, and welders. You will play a critical role in maintaining the performance and safety of our customers' equipment.

Key Responsibilities:

- Perform diagnostic testing and repair on diesel engines, electrical systems, transmissions, suspensions, and brake systems.
- Service and repair heavy industrial equipment, trailers, backhoes, generators, welders, and more.
- Conduct routine maintenance and inspections to ensure optimal performance of customer's equipment.
- Use welding and cutting torch equipment as needed (preferred but not required).
- Accurately input and retrieve data using diagnostic computer systems.

Qualifications:

- High school diploma, GED, or equivalent (Trade School or Certification preferred).
- Valid state-issued driver's license (Class A CDL license preferred).
- Minimum of 2 years of experience (automotive repair experience counts).
- EPA 609 Certification preferred
- ASE certification preferred.
- Strong communication and interpersonal skills.
- Ability to climb ladders, walk or stand for extended periods, and lift a
